

Chuck E. Cheese's is a great place to let kids of any age run, jump, climb and play on rides and attractions. From the coolest video games and high-tech simulators to our Skytubes® and kiddy rides, we'll keep them entertained and engaged, not to mention active.

Best of all, Every Kid's A Winner!™ at Chuck E. Cheese's. After playing any of our skill games, your child will experience the thrill of winning tickets to redeem for cool prizes. Or they can save up for one BIG prize — it's all fun!

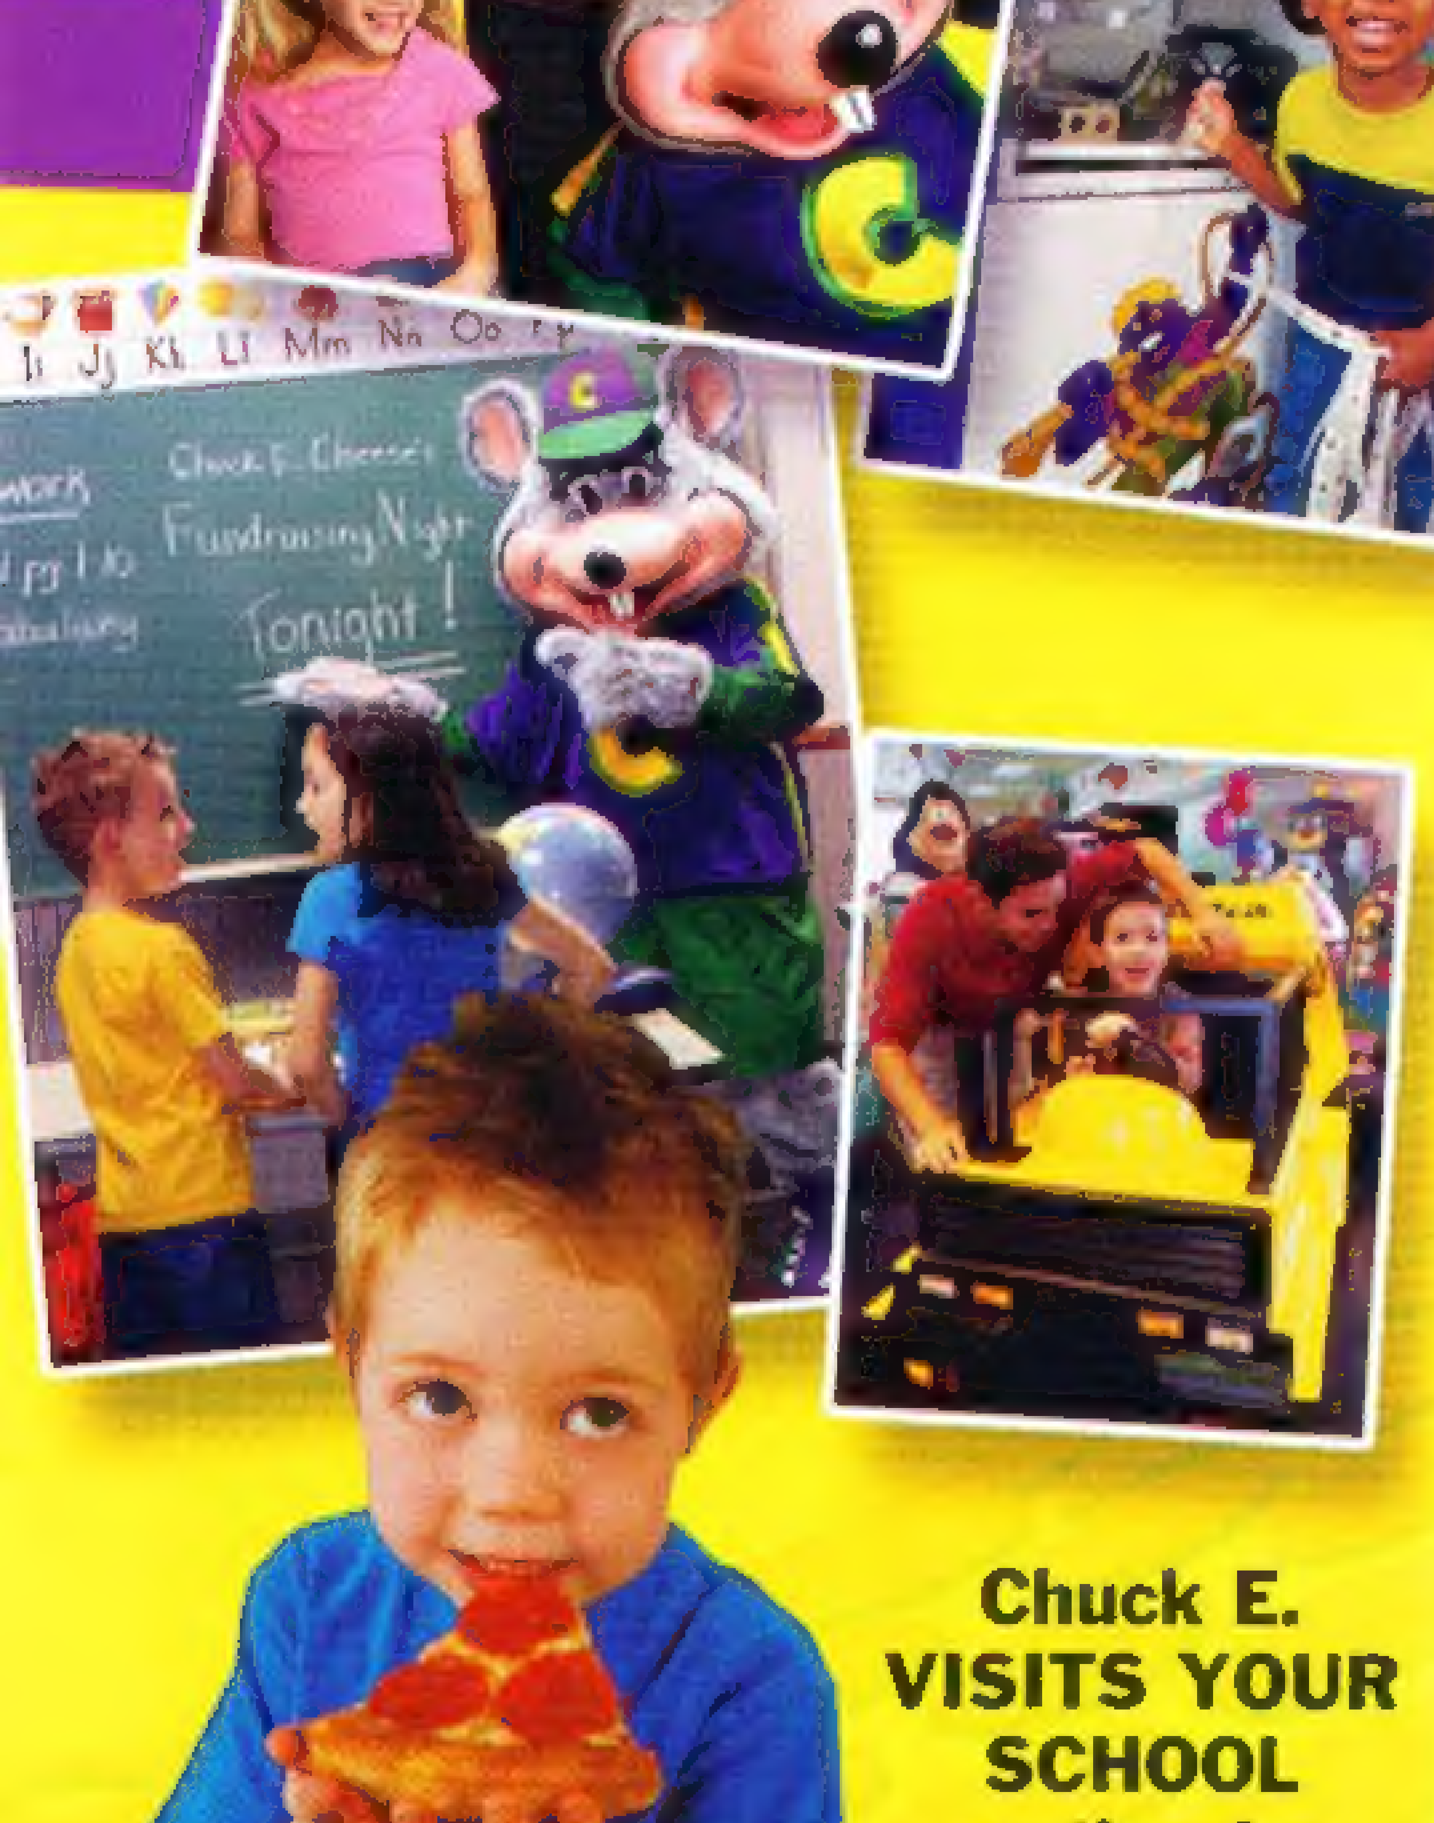

Chuck E. Cheese's pizza is made fresh to order. We use only the freshest ingredients including 100% real cheese, our own special sauce and the very best toppings. So everything always tastes great, including our garden-fresh salad bar and oven-toasted sandwiches.

We believe that today, more than ever, kids need a safe, wholesome environment in which they can laugh, play and simply enjoy being kids.
